

IN THE JANUARY NUMBER OF ***THE STELLAR RAY***

Will commence a series of articles which will throw

Light for Intelligent Minds

upon the truths contained in the book of Genesis and other writings found in the Old Testament.

These great truths have been distorted, misinterpreted, purposely and otherwise, by compilers and translators who have undertaken to perpetuate them.

These misconceptions have been brought to light and the truths contained therein are to be presented freed from some of the fungi of creedal and intentional misinterpretation.

As the light of 20th Century Scientific Research is thrown upon the great panorama of the past, it presents to thinking minds the inestimable value of those ancient writings.

Fasting Feeds You.

WITH THINGS MUCH BETTER THAN FOOD.

With Strength-Beauty-Energy-Courage-Vitality-Wisdom-Faith-Independence-Endurance-Joy-Peace-Love.

These facts are proven.

Proven by experience and written into a book by the man who did it. He had read Dewey, Fletcher and Haskell; he had worked with MacFadden, Propheer, and others of like repute; he had seen the benefits of Fasting—but he was not satisfied; so he took a Thirty Day Fast for himself.

Perhaps you aren't satisfied.

You may have tried and failed—many people think they fast when they only starve. Or you may have never tried at all. I don't blame you, considering the failures of most who have.

Anyway—listen.

There is no disease on earth, of body, mind or soul, that can resist a proper period of sane Fasting scientifically employed. You don't have to do it—but you must know what it will do. There are Twenty Rules of utmost importance governing a scientific Fast. These are given exclusively in "The Philosophy of Fasting" by Edward Earle Purinton. A large beautiful book of 130 pages, price \$1.10 by post. Send a stamp for circular containing remarkable opinions by Doctor Lattson, Doctor Tyrrell and other authorities.

I direct a sanitarium in New York City and Butler, New Jersey, where we convince people by curing them. NATUROPATHY can't help curing. Investigate. For a dime I'll mail you a big bundle of literature, also my magazine, "Naturopath", three months. Visit our Health Supply Store—where things look, taste and feel as good as they are. Think—decide—act. And success is yours.

Henry Harrison Brown's

NEW BOOK "CONCENTRATION: THE ROAD TO SUCCESS"

Written in plain, simple language, the author always having in mind the common need and answering it in common language.

Success is treated as a concrete reality which the author analyzes with the care and precision of a chemist in arriving at the elements of a compound; once the ingredients are segregated and classified, anyone who will, may again unite them and create Success for himself.

It begins with an answer to the question, "What is Success?" and plainly shows that to possess this knowledge is to make possible the thing itself. Then follow twenty-three sections that gradually open your mind to the fact that Success may be had by anyone who really wants it. You come from the book filled with New Life, New Hope, and a Determination to Make Your Life What Nature Intended, A Success. The author has done big things before, but this is his masterpiece, the crowning achievement of a long life of usefulness in humanity's cause.

Price, elegantly bound in cloth, \$1.00; paper, 50c.
